# the trustees of reservations

## **FRESH EYES FIELD SURVEY**

Thank you for participating in our survey! The data you gather will help The Trustees understand what visitors experience at a sample group of reservations statewide. This is one of several ways we are assembling information in order to allocate our resources (time, money, equipment) most effectively.

Please give us your candid answers about what you observe when you visit a reservation. We ask only that you visit reservations that you have never seen before so that you approach each one with "fresh eyes." Staff who work at a given property and visitors who know it well have an important role to play too – but for this survey, fresh eyes are key.

#### **INSTRUCTIONS**

- I. We welcome you to survey more than one property. Often several properties are within an easy drive. We estimate that you'll need at least 40 minutes at each property to answer the survey questions, but we encourage you to take the time to enjoy each property in a way that suits you.
- 2. You can do the survey with fellow Trustees, family, friends, or solo. If you survey a property with a group, just submit one survey per property.
- 3. Prepare for visiting the reservation as you normally would to visit an unfamiliar property, e.g., see the printed Property Guide for directions and other information, look it up on The Trustees' website (www.thetrustees.org), etc.
- 4. Print out and complete a separate survey for each property you plan to visit.

Note: For your convenience the survey is two pages with space for brief answers. However, we welcome you to provide us with more extended observations and suggestions if you wish, either on the survey topics or others arising from your visit. Just use the back of the survey or add a page.

- 5. Take along a digital camera in case you want to show us something you see (this is not required).
- 6. Track the time you give The Trustees to do the survey, including travel. If you wish, also record your mileage so we can provide you with an acknowledgment of mileage for tax purposes. We appreciate your contributions as a volunteer!
- 7. Where to send your completed survey(s): Send your results in one of these ways to Rose Keogh:
  - a. Fax them, to Rose's attention, to: 781-784-4796.
  - b. Mail them to: Rose Keogh

The Trustees of Reservations Moose Hill Farm 396 Moose Hill Street Sharon, MA 02067

c. Transfer your field notes into the blanks (MS Word) and email it to Rose at <a href="mailto:rkeogh@ttor.org">rkeogh@ttor.org</a>. Rose will confirm receipt of all data – if you do NOT receive a confirmation, please check with her to be sure it came through: <a href="mailto:rkeogh@ttor.org">rkeogh@ttor.org</a> or 781-784-0567 x 7515.

NOTE: The first few questions need your attention BEFORE YOU ARRIVE at the property – please keep this in mind!

### SUMMARY INFO

Name of property surveyed:
Date and time of your visit: date time
Who can we contact about this survey? Email: Phone:
Names of others participating in the survey:
The hours that volunteers give to The Trustees are valuable to us, since they're a special indication of commitment to the work we do. For this project we will track them according to the "home base" of the volunteer – either your region or a committee through which you heard about the survey opportunity. Please tell us where you'd like your hours credited (please select one):  By geography:  Western (including Berkshires, Pioneer Valley, central Mass.)  Greater Boston (including North Shore)  Southeast (including Islands)  By committee:  Which one?
Time spent at the property: How many hours did you/your group spend at this property while doing the survey? (e.g., 3 surveyors plus 2 children spend 2 hours together at property = 2 hours at property.)
Time spent to do this survey: How many hours total did your group spend in order to do the survey, including drive time? (E.g., 3 surveyors spend 2 hours taking the survey, plus drive 2 hours roundtrip to visit it: 3 surveyors x 4 hours/person = 12 volunteer hours.) If you do more than one property on one trip, put your total drive time on one form.
For tax reporting purposes: Would you like us to send you a letter for tax purposes confirming the mileage you drove for this project?  Yes No thanks If so, how many miles did you travel in order to complete your survey work?  (Note: If you do multiple surveys, put all of your mileage for a given day on one survey.) Please provide your mailing address:
Would you like us to contact you about the results of this survey statewide?   Yes  No thanks  If so, how may we contact you?

Thank you again for your service as a Trustee!
