

The Semper Virens Society

Semper Virens, which means “always green,” honors and recognizes generous individuals who have made a legacy gift to The Trustees.

Since the first recorded bequest in 1902, support via wills and life income gifts has built and strengthened The Trustees’ mission. This strong financial base has provided important stability, enabling The Trustees to secure important landscapes and landmarks, acquire new reservations, implement innovative stewardship, share our conservation mission, and promote ongoing protection of threatened land across the state.

We are delighted to list the members of the Semper Virens Society. In making a planned gift, these individuals have turned their passion into a legacy, and set an inspiring example for others to follow.

Leaving a Legacy

If you have planned a legacy for The Trustees, let us know so that we may welcome you to The Semper Virens Society. Friends of The Trustees who have made a bequest provision, a gift of life insurance, an interest in a retirement plan, or a life income gift are also included in the Society. Semper Virens Society members are invited to Trustees events and luncheons hosted at various sites twice a year.
