Dear Long Hill Neighbors,

Please join us for an informal community information session to learn more about an exciting next chapter for Long Hill.

Since 1979, The Trustees have cared for the former home and garden of the Sedgwicks. This family garden retreat has been a destination for garden and plant lovers for many years. Long Hill has been home to many activities—farming, programming, volunteer work, and quiet contemplation. Recently The Trustees was awarded a grant to restore and expand the gardens, to enliven the site for education, and to conduct much-needed conservation work on the house.

We want to know what makes Long Hill special to you. Please come and meet Mikyoung Kim, the landscape architect who will be creating plans for the restoration. She and her team want to hear from you. We hope you will join for this important conversation.

Wednesday, May 29, 2019
6:30–8PM
6PM Walk in the Gardens
Long Hill
572 Essex Street, Beverly
