

## **EVENTS AND SPACE RENTAL • POWISSET FARM**

Powisset Farm is a property owned and managed by The Trustees, a member-supported nonprofit conservation organization that preserves, for public use and enjoyment, properties of exceptional scenic, historic, and ecological value in Massachusetts, and works to protect special places across the state.

The Powisset Farm Kitchen/Classroom and Barn is a uniquely beautiful gathering space in the heart of the Powisset Farm. The Powisset Farm property is open to the public from dawn to dusk. Our newly renovated section of the barn seamlessly integrates rustic farm style with modern convenience. As a main part of the Powisset Farm Hub, this space is used by staff and visitors simultaneously and this space also includes an onsite Farm stand. Due to the public nature of our facility it is rare that a rental can ever be truly private as people are coming in and out of the space at all times. However, certain rental times are quieter on the farm than others.

### **What the Powisset Farm Kitchen and Classroom Have to Offer:**

- 700 square feet of a uniquely beautiful, farm centered gathering space
- Views of the farm out the classroom windows
- A fully climate controlled environment with state of the art, environmentally sound insulation
- The classroom/kitchen can fit up to 45 people. For parties of more than 45 people we suggest utilizing the barn and/or outdoor space.
- Two ADA bathrooms (one of which has a wall mounted changing table)
- A Farm Kitchen that has a Food Establishment Permit from the Dover Board of Health
- Outdoor space including the tent (May through Oct) and Powisset barn are also available, weather permitting.
